

Weekly Income Compensation application information

(Issued under sections 27, 59 and 213 of the Veterans' Support Act 2014)

Please read before you complete this form

Weekly Income Compensation is an income support payment available to veterans, who have service in Viet Nam, or before 1 April 1974, and are unable to work full-time as a consequence of injury or illness, whether service-related or not. Veterans receiving Weekly Income Compensation are entitled to rehabilitation support and services.

To apply for Weekly Income Compensation you must fully complete this application form and provide any supporting information or evidence required by Veterans' Affairs (VA).

If your application is incomplete it will be returned to you unprocessed.

Further information can be found on our website: www.va.mil.nz/a-z/weekly-income-compensation/

Entitlement

(sections 59 & 62, Veterans' Support Act 2014) A veteran* (whether resident in New Zealand or overseas) who is unable to work full-time, as a consequence of injury or illness from whatever cause is entitled to Weekly Income Compensation. Veterans cannot receive Weekly Income Compensation and any benefit or payment under the Social Security Act 1964 at the same time.

A veteran's entitlement to Weekly Income Compensation ceases if VA assesses the veteran as being able to go back to full-time employment under the following circumstances:

- (i) If you have been receiving Weekly Income Compensation for less than 6 months, and you have been assessed as being able to go back to the same full-time employment held just before you started receiving Weekly Income Compensation, then your Weekly Income Compensation will cease 10 days after receiving notice of the decision.
- (ii) If you have been receiving Weekly Income Compensation for **6 months or more**, and you have been assessed as being able to go back to the same full-time employment held just before you started receiving Weekly Income Compensation, then your Weekly Income Compensation will cease on the earlier of:
 - The date on which you commence full-time employment; or
 - 28 days after receiving notice of the decision.
- (iii) If you are assessed as not being able to go back to the same full-time employment you held just before you started receiving Weekly Income Compensation, but VA assesses that you are able to return to other full-time employment, then your Weekly Income Compensation will cease on the earlier of:
 - The date on which you commence full-time employment; or
 - 28 days after receiving notice of the decision.

Working part-time

(section 63, Veterans' Support Act 2014) Entitlement to Weekly Income Compensation reduces if the veteran is able to work part-time. VA will reduce the amount of Weekly Income Compensation to ensure that the total of earnings from work (excluding passive income such as interest) and Weekly Income Compensation does not exceed the average wage (as defined in the Social Security Act 1964). You must discuss any changes in your circumstances with VA.

Receiving ACC income compensation

(section 64, Veterans' Support Act 2014) Veterans already receiving income compensation under the Accident Compensation Act 2001 are not entitled to receive Weekly Income Compensation from VA at the same time. However, VA will top up the difference between the Weekly Income Compensation payable and what you would otherwise receive from ACC.

Rehabilitation

(section 59, Veterans' Support Act 2014) You may be required to undertake medical and vocational assessments for which you will be given a minimum of 10 days notice. Failure to attend an appointment may result in the termination or decline of your Weekly Income Compensation.

Weekly Income Compensation application information

(Issued under sections 27, 59 and 213 of the Veterans' Support Act 2014)

Applying overseas

If you are applying for Weekly Income Compensation from outside of New Zealand, you are responsible for paying the costs of assessing whether you are unable to work full-time. Medical certificates must be provided by a Registered Medical Practitioner.

Process for deciding claims

VA will make a decision on your claim as soon as is reasonably practicable after receiving the claim. VA may need to wait for you or any other person to provide further information required to determine whether or not to accept your claim.

If your claim is accepted by VA, Weekly Income Compensation will be paid from the day on which the completed application was received at VA.

Reimbursing Ministry of Social Development benefits from your Weekly Income Compensation

If you received a Ministry of Social Development (MSD) benefit (such as a Veteran's Pension) during the period in which your application for Weekly Income Compensation was being processed and decided, VA will provide details of your Weekly Income Compensation entitlement to MSD.

MSD will review the benefit they've paid you for that period, and let VA know if it needs to be reimbursed. If it does, MSD will advise VA the <u>gross</u> amount (i.e. <u>tax</u> plus <u>net</u>) of the reimbursement, and VA will deduct this from your gross backdated Weekly Income Compensation.

VA will then:

- (i) pay MSD the net amount of the benefit to be reimbursed.
- (ii) pay Inland Revenue the tax amount to be reimbursed.
- (iii) pay the balance of your Weekly Income Compensation (you will receive the <u>net</u> amount, and Inland Revenue the <u>tax</u> amount).

WIC and New Zealand Superannuation or Veteran's Pension

(section 65, Veterans' Support Act 2014) When you reach New Zealand Superannuation qualification age, you can elect to continue to receive Weekly Income Compensation.

The following rules apply:

- (i) If you have been entitled to Weekly Income Compensation for 24 months or longer, entitlement ceases upon reaching New Zealand Superannuation qualification age.
- (ii) If you have been entitled to Weekly Income Compensation for 12 months or more but less than 24 months, you can elect to stay on Weekly Income Compensation for 24 months.
- (iii) If you have been entitled to Weekly Income Compensation for less than 12 months, you remain entitled for a period of 12 months following the later of the date of reaching New Zealand Superannuation qualification age; or the date of entitlement to Weekly Income Compensation. You can elect to remain on Weekly Income Compensation for a further 12 months.

Any election to remain on Weekly Income Compensation must be made to VA by the later of:

- (i) Within 1 month before the date on which the election would take affect, or
- (ii) Within 1 month after the veteran has been notified of the amount of the Weekly Income Compensation by Veterans' Affairs, the Review Officer, or the Veterans' Entitlements Appeal Board, as applicable.

Offences

(sections 270 - 271, Veterans' Support Act 2014) It is an offence to make a false statement or provide misleading information to VA and anyone who does so commits an offence against this section and is liable on conviction to a term of imprisonment not exceeding 3 months or a fine not exceeding \$5,000.

It is an offence not to provide information about changes in earnings that may affect entitlements as soon as practicable and anyone who does so commits an offence against this section and is liable on conviction to a fine not exceeding \$5,000.

Completing the Medical Certificate:

- Complete pages 11 and 12.
- Attach your invoice and any supporting documentation such as medical reports, blood test results etc.
- Return the completed form, invoice and supporting documentation to the veteran.

Veterans' Affairs will meet the cost of the consultation and completion of this medical certificate upon receipt of the completed application and your invoice, except where the veteran is applying from outside of New Zealand.
