# When you retire

You may be able to get support when you're in—or about to go into—retirement.

## Support you may be able to get

This could be support to remain independent in your home and community. It could also be a retirement-related payment, such as Veteran's Pension, NZ Superannuation, or a Retirement Lump Sum.

## Have a plan

It's important to have a plan for your retirement. This will allow you to map out what you'll do with your time, finances and relationships.
