
Veterans' Health Advisory Panel

The Veterans' Health Advisory Panel gives advice about veterans' health matters and the research to support it.

This panel is a statutory body established by section 254 of the Veterans' Support Act 2014.

The Panel:

- decides how the income of the Veterans' Medical Research Trust Fund is to be applied to research grants and awards
- provides advice, comments, and guidelines to the Minister for Veterans on matters relating to veterans' health and the making of regulations.
