

VA case management clinic

 Tuesday, 18 April 2023, 10:00 AM to 3:00 PM

 Ranfurly Veterans' Trust, 37 Warren Avenue, Three Kings, Auckland 1042

As part of our effort to increase our face-to-face outreach, we are running a monthly case management clinic in Auckland.

We are partnering with the Ranfurly Veterans' Trust, which is hosting our clinics at the recently restored Ranfurly Veterans' Centre.

What you can expect

Case management clinics are a chance to book a one-on-one appointment with a member from one of Veterans' Affairs' case management teams.

These clinics are designed for both:

- current clients — both veterans and whānau
- veterans who are not already getting support from us.

Appointments are for up to 40 minutes.
