

Veterans of foreign militaries

Veterans' Affairs New Zealand was established to support New Zealand veterans.

To be eligible to get support from Veterans' Affairs New Zealand you need to have Qualifying Service in the New Zealand's Armed Forces. This is a requirement of the Veterans' Support Act 2014.

Qualifying Service explained (<https://www.veteransaffairs.mil.nz/eligibility/qualifying-service/>)

While you may not qualify for support from us, you may be able to get help from your nation's government.
